Zeus

Interior decorative finish with a gold or silver "metal sheet" effect

Rivestimento decorativo ad effetto "lamina di metallo" per interni

Applicare ZEUS in due strati con spatola inox. Gli effetti ossidati sono realizzati combinando ZEUS con il sistema IRONic: preparare la superficie con due strati di IRONic Fondo. Applicare ZEUS senza ricoprire integralmente il fondo e, a completa essiccazione, ossidare le porzioni di fondo non ricoperte da ZEUS con IRONic Liquido Antichizzante.

RESA: 6-9 m²/l nei due strati.

Per maggiori informazioni consultare la scheda tecnica.

Interior decorative finish with a gold or silver "metal sheet" effect

Apply ZEUS in two layers with a stainless steel trowel. The oxidized effects can be achieved combining ZEUS with the system IRONic: prepare the surface with two layers of IRONic FONdo. Apply ZEUS without covering the entire surface and, when totally dry, apply IRONic Liquido Antichizzante in the parts not covered by ZEUS to produce the oxidation in random portions of the wall.

YIELD: 6-9 m²/l in two layers.

For more information please check the technical data sheet.

Revêtement décoratif à effet "laminé" pour intérieurs

Appliquer deux couches de ZEUS avec truelle en inox. Les effets oxydés sont réalisés en combinant ZEUS avec le système IRONic : préparer la surface avec deux couches d'IRONic Fondo. Appliquer ZEUS sans recouvrir complètement le fond et à séchage complet, oxyder les parties sous-jacentes non couvertes avec ZEUS en appliquant IRONic Liquido Antichizzante.

RENDEMENT: 6-9 m²/l en deux couches.

Pour plus d'informations contrôler la fiche technique.

Dekorative Beschichtung mit "Metall-Effekt"

Zwei Schichten ZEUS mit einem Edelstahlspachtel auftragen.

Die Oxidation wird dadurch erreicht, wenn man das System IRONic und Zeus aufeinander aufträgt. Die

Oberfläche überall, zweimal, mit IRONic Fondo/Untergrund streichen. Dann Zeus flächig auftragen. Trocken lassen und die nicht mit Zeus gestrichenen Flächen mit IRONic Aktivator rösten.

ERGIEBIGKEIT: 6-9 m²/l in zwei beiden Schichten.

Für weitere Info bitte siehe technisches Merkblatt.
